

Chris Donovan

As a young child, Chris exhibited psychic ability with prophetic dreams, clairvoyant visions and a propensity for journeying into other dimensions and realities. In her teens she began to study the intuitive art of Tarot. Drawn to healing, she received her degree in Nursing and began to study Holistic Western and Eastern Healing modalities. In 1975, after the birth of her second daughter, Chris made a commitment to develop and refine her God-given intuitive gifts. She sincerely embraced her centered Souls path and purpose. Her passion and her guides lead her to Meditation, Intuitive Soul readings, Shamanism, the Energy Medicine of the Chakras and the Archetypal Patterns of the Soul.

In 1987, Chris became one of the first certified teachers of Gabrielle Roth's 5 Rhythm™ healing movement work. Chris has done readings and taught classes throughout the United States.

“Love was a source, love is the goal, and love the method of attainment.” ~ Alice Bailey

Tarot

The Tarot is an ancient and sacred tool for receiving Divine Guidance and psychic insights. The Tarot deck is an atlas of images, symbols, recorded facts and maps showing us when, where and how to move successfully toward our goals and aspirations. Each of the 78 cards communicates through Numerology, Astrology, Elements, Archetypes, the Qabalah, Color, Symbols, Alchemy, Myths, and Legends.

Chris uses the Tarot cards in Intuitive Guidance sessions to reveal the flow of healthy energy as well as the friction of blocked energy within the Body, Heart, Mind and Soul. This information provides a focus and direction for creative healing.

Regarding questions about relationships, career, creative projects and future endeavors, the cards reflect to Chris the initial motivation, the blind spots, the current pattern of energy in motion and the possible outcomes. With this information you can make empowered life choices and release unhealthy patterns. Chris's readings illuminate your path and support the growth and evolution of your Centered Soul.
